

Aboriginal Artwork

Go for a walk outside your house or to your local park. Pick up any leaves you see on the way.

Using a paint brush, sticks, cotton bud or any other item you find, begin to create patterns with different coloured paint.

Use lines, dots and different shapes to create your artwork. Don't forget to be creative!

Did you know? **Aboriginal Dot Paintings** are typically from the Northern Territory. In NSW art is displayed through Rock Carvings and hand stencils using ochre.
