In contributing

to the 2024 Vinnies Winter Appeal, you have helped rebuild lives.

The Society appreciates your continuing empathy and support.

As Winter approaches, suitable accommodation becomes an increasing priority for many of those marginalized among us. An ever-increasing number are finding themselves homeless or distinctly at the very real risk of homelessness.

Your school community, through its prayers and provision of resources, will continue to support the Society in its mission in reaching out to those we seek to serve.

Thank you and in anticipation for your continuing generosity and heartfelt consideration for those experiencing a lack of such a fundamental human necessity.
